

# Art Nouveau Marquetry Occasional Table

C 1900

By Emile Gallé (1846-1904)

---

A carved walnut table, inlaid with various fruitwoods, with flowering branches. The Art Nouveau styling echoes the Japanese influence on Art Nouveau.

Dimensions : 94 cm high, 83 cm wide, 52 cm deep

Signatures : Marquetry inlaid : ‘*Gallé*’ on the top shelf.

Over the past 15 years we have found very little Gallé furniture in South Africa, unlike his cameo glass. There was not much Art Nouveau furniture imported to South Africa, only the odd piece of Majorelle and Gallé furniture has been spotted over the last 20 years or so.
